ISNA Membership Application - September 2007

The City and County offer grants to provide funds for neighborhood projects – but only when half of the total funds are raised by the neighborhood.

The **ISNA Capital Fund** is money raised by our neighborhood association, to be used on the further development of our neighborhood. A committee of neighbors will research design, cost and work with various government agencies to receive the grants to complete the project. This committee will make a formal presentation on each project at a neighborhood meeting to answer questions.
